

AWARD SHEET SUPPLEMENT

BID NO. 9042-5/19; CHEMICAL FEED AND DISINFECTION SYSTEMS (PREQUALIFICATION OF BIDDERS)

I. Purchasing Instructions

A. Award Description

Awarded bidders have been pre-qualified to participate in spot market purchases.

B. Quotation Directives

1) Contract Instructions (Re: ITB Paragraph 2.6)

Spot market pricing procedures may be initiated by a County department or by ISD / PMS. When spot market purchases are initiated, the pre-qualified vendors shall be invited to offer a fixed price for a specific individual purchase, or a specific purchasing period. Written spot market quotes will be solicited from all vendors within the pool. The vendor offering the lowest fixed price shall be awarded for the specific period or specific purchase. The award to one vendor for a specific period or individual action does not preclude the remaining pre-qualified vendors from submitting spot market offers for other specific purchases.

Price quotes shall be itemized to include equipment, and any other items identified by the County in the request for quote.

2) Cone of Silence

Pursuant to Section 2-11.1(t) of the County Code, all ITQ's are subject to the Cone of Silence.

3) Bid and Local Preferences (Re: ITB Paragraphs 1.10 and 2.2)

Bid Preference and Local Preference will be considered when evaluating the offered prices. The Bid Preference shall be applied to the offers received from certified Micro/SBE bidders. The resulting Micro/SBE bidders' evaluation prices shall then be compared to the other offers to determine if Best and Final Offers (BAFO's) need be requested in accordance with the Local Preference legislation.

4) Emergency Purchases (Re: ITB Paragraph 2.6)

In the best interest of the County, for items either delivered by the vendor or picked-up from the vendor by authorized County personnel, the availability of the material, geographic location, and/or delivery time may be utilized as deciding factors for the basis of an award to a vendor when it is determined by a County department that a project is time sensitive to meet pre-established deadlines or it is an emergency situation.
